## **38<sup>th</sup> ANNUAL MEMPHIS SCHOOL OF PREACHING LECTURESHIP IS RAPIDLY APPROACHING**

Barry M. Grider

The preparation for the Memphis School of Preaching Lectureship, March 28-April 1, is well underway. This annual event always produces much excitement for the Forest Hill congregation, as well as for alumni and friends. As in the past, a theme has been selected that should motivate us and increase our interest in things that are spiritual. This year's theme, "**Sin and Salvation**," is very foundational and fundamental. There is no doubt that Jesus Christ, our Savior, will be the exalted and glorified focus of our study.

Our annual youth day will take place Saturday, March 27. Since this program is conducted in conjunction with our lectureship, the theme selected is, "Why Is Sin So Serious?" Sin is just as much a reality in the 21<sup>st</sup> century as ever before. It is the root cause of all of the troubles of humanity. Jesus said, "...the whole world lieth in wickedness" (1 John 5:19). We must work hard to keep our youth out of the clutches of the evil one. Please make every effort to have your young people in attendance.

As with any noble endeavor, hard work is required for the success of our lectureship. Fortunately, this congregation is not lacking in dedicated members who are willing to use their talents for the glory of God. Your services are especially needed during the next few weeks as we prepare for this marvelous event. How can you help?

1. Food Preparation. We are grateful that several area congregations assist us in providing lunch for our guests. Forest Hill members will be called upon to prepare lunch Wednesday and Thursday. Likewise, if you can assist in serving these meals, it will be greatly appreciated.

2. Coke, Diet Coke, Dr. Pepper, Diet Dr. Pepper, Sprite and Diet Sprite are needed for the noon meals and evening banquets. You may begin bringing these drinks to the building immediately, placing them in the room across from the church offices.

3. Accommodations are needed for out of town guests. If you can assist in this area, please call 751-2242.

4. Help make sure our buildings and grounds are in top shape before our guests arrive.

5. Invite your relatives, friends, and neighbors to this important series of lectures. Honest souls can be reached through the lessons that will be presented.

6. "Pray without ceasing" (1 Thess. 5:17) for the success of the lectureship.

Also, if you can provide lodging for the young people who will be staying overnight for youth day, contact Barry Grider or Keith McAlister. If you can assist with the youth day luncheon, please see Helen Newsom.

These exciting activities are certainly the highlight of the year. No doubt this will be true once again, if each one does his part. I know that you will!
