**FOREST HILL PREPARES TO HOST  
MILESTONE LECTURESHIP**

Barry M. Grider

The 40th annual Memphis School of Preaching Lectureship will be conducted March 26-30, 2006 at Forest Hill Church of Christ. As we recognize this milestone, let us reflect upon the great contribution these lectures have made to our brotherhood down through the years. Likewise, I know that every one of you desires to make this year's program the best ever. There is no reason it should not be. The Forest Hill congregation continues to move forward with zeal and enthusiasm for the cause of Christ. The school of Preaching remains firmly committed to preaching the Word and saving the lost. Over sixty student are presently enrolled in the two year school of intensive training. A marvelous lectureship theme, *The Gospel of Christ*, has been developed by our capable lectureship director, Bobby Liddell. Outstanding speakers from throughout our brotherhood will be present to instruct us in the word of God. A beautifully bound volume of the lectures is being produced and will be available during lectureship week and thereafter.

Keep in mind, the 13th annual youth day will take place Saturday, March 25. Brother Matt Martin has developed the theme, *Can The Gospel Really Help Me?* No doubt this will be of great benefit to our youth. We urge all those who can come for this special day to plan now on being here.

As with any noble endeavor, hard work is required for the success of our lectureship. Fortunately, this congregation is not lacking in dedicated members who are willing to use their talents for the glory of God. Your services are especially needed during the next few weeks as we prepare for this marvelous event. Hoe can you help?

1. Food Preparation. We are grateful that several area congregations assist us in providing lunch for our guests. Forest Hill members will be called upon to prepare lunch Wednesday and Thursday. Likewise, if you can assist in serving these meals, it will be greatly appreciated.

2. Coke, Diet Coke, Dr. Pepper, Diet Dr. Pepper, Sprite and Diet Sprite are needed for the noon meals and evening banquets. You may begin bringing these drinks to the building immediately.

3. Accommodations are needed for out of town quests. If you can assist in this area, please call 751-2242.

4. Help make sure out buildings and grounds are in top shape before our guests arrive.

5. Helpers are needed for the daytime children's classes during the lectureship. If you can help with this, please contact Brenda Woods.

6. Invite your relatives, friends, and neighbors to this important series of lectures. Honest souls can be reached through the lessons that will be presented.

7. "Pray without ceasing" (1 Thes. 5:17) for the success of the lectureship. Also, if you can provide lodging for the young people who will be staying overnight for youth day, contact Matthew Martin or Keith McAlister. If you can assist with the youth day luncheon, please see Helen Newsom.

These exciting activities are certainly the highlight of the year. No doubt this will be true once again, if each one does his part. I know you will!
